Open to relocation and remote work

PROFESSIONAL SUMMARY

Self-driven front-end developer with hands-on experience building and deploying responsive web applications using React, JavaScript, and Tailwind CSS, with working knowledge of TypeScript. Developed projects such as SkillForge, integrating Firebase Authentication, Cloud Firestore, and Cloudinary to deliver functional, user-focused experiences. Combines a background in medical imaging with strong attention to detail, analytical problem-solving, and adaptability. Passionate about writing maintainable code, creating intuitive interfaces, and continuously expanding technical skills.

TECHNICAL SKILLS

Front End	JavaScript, HTML, CSS, React, React Router, Tailwind CSS, Responsive Design, TypeScript (foundational)
Back End Services	Firebase (Authentication, Cloud Firestore), Cloudinary, Sanity CMS
Tools & Deployment	Git / GitHub, Vite, Netlify

SELECTED PROJECTS

SkillForge Jul 2026 – Sep 2026
React, JavaScript, Tailwind CSS, Firebase, Cloudinary | skill-forge01.netlify.app
- Built and deployed a personal learning management app with goal tracking and progress tracking.
- Integrated Firebase Authentication and Cloud Firestore for user accounts and data, and Cloudinary for media uploads.

CineVerse Jun 2026 – Jul 2026
React, JavaScript, TMDB API, Firebase | cineverse-we.netlify.app
- Developed a movie discovery app featuring TMDB API integration, user authentication, favorites, and personalized watchlists.

LifeKoach Mar 2026
HTML, CSS, JavaScript, Sanity CMS | ayakhellou.github.io/lifkoach
- Created a responsive multi-page website with dynamic blog content managed through a headless CMS.

PROFESSIONAL EXPERIENCE

Medical Imaging Technologist Sep 2024 – Present
Lakhderi Mohamed El Akhdar Hospital, Touggourt
- Operate specialized imaging systems, working confidently with complex technical equipment and digital workflows.
- Apply analytical thinking and attention to detail to follow protocols and ensure accurate image acquisition.
- Troubleshoot equipment and procedural challenges and adapt to changing situations in a fast-paced environment.
- Collaborate with multidisciplinary teams and communicate technical procedures clearly.
